## Organized Steps For Successful Peace Community Church International Fellowships

### ***You are an Eternal Light***

The language of Spirit is the language of Feelings; feelings that reach beyond the traditions, the rules and regulations of Planet Earth.

### ***You are a Healing Light***

When you are aware that only a lack of understanding can cause you to feel tense, you will know that you have no separation from anything.

Join the network of **Peace Community Church International** affiliates that are helping people around Planet Earth heal and rejuvenate. You will find solutions to life while sharing and being a part of PCCI community fellowship healing circles.

The following are suggestions to help you build successful PCCI fellowship programs in your community. The PCCI Executive Committee and Board of Bishops are here to help you.

1. Set your dates for a consistent monthly or bi-monthly fellowship.
2. Find a location for a consistent monthly fellowship.
  - This can be a coffee house that has a meeting area
  - Clubhouse at an apartment, condominium building, or wellness center
  - Could be in someone's home
  - A Church
3. Set up a PCCI Fellowship Meetup at [www.meetup.com](http://www.meetup.com)  
Meetups are a helpful tool to attract people to your PCCI fellowship. Contact us at [info@PCCIWorld.org](mailto:info@PCCIWorld.org) for help setting up your Meetup.
4. Submit your listing for the [www.PCCIWorld.org](http://www.PCCIWorld.org) affiliate page. Simply send in a photo, your City, State, Country, your email address, and a brief statement about what you have gotten out of being affiliated with PCCI.  
Visit [www.PCCIWorld.org](http://www.PCCIWorld.org) and click on Local **Affiliates** link to see examples.

5. Print off some **Clear Channel Healing posters**; add the date and location and put up around town.  
A PDF file can be downloaded from the [www.PCCIWorld.org](http://www.PCCIWorld.org) Resources and Forms page.
6. Share with friends you have an affinity with. When you cross paths with people, be alert to the possibility of their needing the healing that a PCCI Fellowship provides.
7. Have a PCCI booth at a local expo or psychic fair. We can help you organize it to make it a fun and successful event.
8. Be ready with an "elevator script" to use as an example when you have 30 seconds or less to relay essential information towards inviting someone to a fellowship.
9. Gather your materials before your Fellowship:
  - PCCI Fellowship Guidelines,
  - Songbook and material for Meditation (Biblical Meditation Booklet)
  - Procedures for Healing Techniques
  - PCCI registration form on a clip board with pen,
  - PCCI brochure (one sent every year with your affiliation certificate),
  - Affiliation Application forms,
  - Poster of your upcoming Man and the Universe, Peace Community Church lectures, workshops and courses
10. Consider the possibility of everyone having coffee, refreshments, or a potluck meal immediately following the Fellowship
11. The idea is to grow the healing environment around you. Ask all in attendance to share their experience with others and to them along to the next PCCI fellowship.
